

Thank you for your enquiry and supporting Feli's during these difficult times.

Covid has revolutionised the way we operate our premises; your safety, the safety of our staff and ourselves is of paramount importance, so following the everchanging guidelines we have introduced a number of measures to prevent the spread of covid 19 and we would like to thank you in advance for helping us maintaining our restaurant covid free.

- Table bookings must be for **one single household**, support bubble allowed; an adult who lives by themselves or a single parent with children under 18 (childcare bubbles are not allowed mix in a restaurant setting)
- **Not travelling to us from a higher tier.**
- Pre booked tables only with **pre order**.
- We offer a **staggered arrival time**, so there are no two lots of guests arriving at the same time; please be on time for your booking
- We operate a **track and trace policy**, we will require at list one name and contact number for each party. This will be kept for 21 days as requested by the government.
- Please **arrive with a face mask**, and wait to be greeted by a member of staff
- On arrival **temperature check** (Please note that if your temperature is above 37.6°C you will not be allowed in the restaurant)
- **Sanitize** your hand before entering the restaurant
- You will be **escorted to your table**, at this stage you can remove your mask.
- If you need **to visit the toilet or when leaving the restaurant, please wear your face mask**
- If using toilets, sanitize your hand before and after using the facilities, try to touch as little surfaces as possible. **Only one person at the time to use the toilet**
- Please **do not stand at the bar at any time**, your drink order will be taken at the table and drinks brought to you.
- **Payments are preferred either contactless or by card**, please remain seated at your table and we will bring you the terminal for payment. The terminal is been sanitized after each use.
